Deborah Wallace - Secretary

Deborah attends River City Church and became passionate about Hand Up Housing after personally witnessing the positive outcome of the Hand Up Housing's participants. Deborah especially agrees with the agency's corpus of true transformation being achieved through Jesus Christ. It was this same foundation which led her to volunteer at River City Ministry in hopes to create a spiritually supportive community for women. Deborah lives in Maumelle with her husband, Brian and they enjoy spending time with their four wonderful grandchildren. Deborah studied at Harding University and hopes to continue her education with a graduate program in ministry or human services.
